Professional Development Section
by Admin User - Monday, 19 August 2013, 08:54 AM

This environment provides a learning platform to assist with developing new JP and C.Dec skills, refining existing skills, and updating skills when legislative or procedural changes occur.

The QJA Professional Development section continues to expand with new videos and quizzes being added and updated regularly. Content appropriate to Queensland JPs and C.Decs is regularly updated and new content loaded.

The accredited course 30942QLD Course in Providing Community Justice Services will be available for JP(Qual) and C.Dec students.

A number of "sample" courses have been loaded to test the capabilities of the system. While you are free to access and use the sample courses that have been loaded, please bear in mind that they are samples only and the QJA cannot determine whether content is relevant or up-to-date for the Queensland and Australian market. Even though the courses are samples we believe some of them are interesting and relevant. Some of them may have problems and be incomplete, if this is the case then please let us know and we will attempt to correct the problem or remove the course from the system.

We hope you enjoy using this new service and as always your feedback is important so please contact us on webadmin@qja.com.au and let us know what you think and if you have any ideas for improvement.

When you have finished with this service simply select the HOME button on the top menu bar to take you back to the QJA site.
